

2012 CPBOA Elections

Nominees

NAME: Craig Bradley

OFFICE NOMINATED: Interpreter

Refereeing Experience: Include all sports/all levels

High School Basketball – 1980-present

College Basketball -1987 - present

What Is Your Vision For The Chapter?

The CPBOA will continue to produce passionate and talented basketball officials through a quality candidate school, meaningful mentor program, effective meeting instruction and discussion, and ample opportunities to work games.

The CPBOA as a whole, and the leadership specifically, will assist members in developing their officiating and management skills through presentation, video break down, on court analysis, and off-season training.

CPBOA members will continuously strive to improve their skills, work higher levels (if desired), and contribute to the welfare of local basketball.

Why Should You Be Elected?

I create basketball rules lessons that educate and entertain. I am available to respond to our member's questions in a timely fashion. Most of my lessons include the topics that the membership has requested.
