What Is Your Vision For The Chapter?

- To continue in the recruitment and development of younger officials by providing them with the necessary tools, direction and guidance that will enable them to reach their officiating potential.
- To provide members with the necessary resources through rules interpretation meetings, videos and other online tools and tutorials to assist them in becoming better officials.
- To encourage all officials to continue improving on their skills (i.e. rules knowledge, mechanics, positioning, etc.) by encouraging their attendance at officiating schools, camps and other officiating-related clinics, conventions and the like.
- In doing so, we will continue this Chapter's rich and storied history of producing the highest quality of basketball officials in Pennsylvania.

Why Should You Be Elected?

- I should be elected to the Executive Committee because I am eager and willing to articulate, advocate and advance the needs and interests of the members of this association.
