What Is Your Vision For The Chapter?

We must continue to assist and improve our current members through classes and camps. We need to recruit new members and educate them to take our place as we move up and eventually out. It's tough to be the best each year, but the Mid-Penn has the formula to be able to maintain and set new standards in officiating.

Why Should You Be Elected?

I have benefitted from the Mid-Penn. I've found great pleasure in helping our newer officials at camps and summer leagues. I believe this position will allow me the opportunity to give more to our membership.
