

2012 CPBOA Elections

Nominees

NAME: Joe DeLutis

OFFICE NOMINATED: Executive Committee

Refereeing Experience: Include all sports/all levels

I have been a PIAA Basketball Official and a member of CPBOA for 6.5 years as well as an IAABO member for 5 years.

I have 4.5 years of High School Varsity Basketball officiating experience.

What Is Your Vision For The Chapter?

My vision is for CPBOA to be recognized as the best high school basketball officials' organization in the state of Pa. I want to actively work with CPBOA members to cultivate new and exciting ways to strengthen our Chapter.

Why Should You Be Elected?

I believe I should be elected because of the commitment I have made to help improve this Chapter and make it the best it can be since joining in 2005. My commitment to the Chapter is evidenced by the following:

- Member of CPBOA for 6.5 years.
- Elected by our Chapter members to the Executive Board 2 years ago.
- A 100% attendance record to Executive Board meetings and a +90% attendance record at CPBOA Chapter meetings.
- Instructor in the CPBOA Officials Education Program for 2 years.
- Mentor for 4 years and as Chapter Historian for 5 years.
- I have made several recommendations such as a New Officials section on our Web Site, a list of non-PIAA locations on our Web Site, a forum displaying rules questions/interpretations to our Officials, etc.

In the “corporate world” I am a Technology Specialist with strong leadership, management and technical skills. I have authored educational offerings as well. My diverse leadership background within the corporate world as well as my experience within CPBOA should help me to be a strong leader within CPBOA. My experience on the Executive Board has helped me to understand our Chapter strengths and potential areas where we can improve. Those who know me will attest to the fact that I am a hard-working person who strives for excellence.
